joining hands to protect children.

To Whom It May Concern,

As you may be aware, the Legislature approved a new Legislative Rule in 2013, Title 149, Series 8, "Protocol for Law Enforcement Response to Child Abuses and Neglect." We have attached a copy of the rule for your reference.

To ensure law enforcement officers around the state are afforded an opportunity to learn about the content of the rule, we are offering a series of four free regional trainings; we encourage you to send at least one representative from your agency. The flier for the trainings with instructions on registration is attached. Please do not hesitate to reach out if you have any questions.

Sincerely,

Emily Chittenden-Laird
Executive Director
