

NO SHAVE FOR THE BRAVE

This November, join the West Virginia Child Advocacy Network and Child Advocacy Centers across the state by growing out your beard for a good cause! You won't want to miss this fun celebration of law enforcement, CAC supporters, and the work of CACs to bring hope and healing to kids all across the Mountain State.

Pay the \$25 registration fee, select which CAC you want the money to go towards, and stop shaving on November 1st. That's it!

Informational cards will be available to hand out to the public when asked why you aren't clean shaven that month. A link will be provided on the card for them to learn more about the fundraiser and how they can donate towards your challenge. The more money raised to support your beard-growing, the better. Prizes will be awarded for "Best Beard" and "Most Money Raised" at the end of the challenge*. You can get copies of the informational cards at your local CAC.

**Law enforcement officers may not solicit funds while in uniform and are subject to the WV Ethics Commission Title 158 Series 7 rule on solicitation of charitable contributions.*
