# #HIGH5DRIVE

For Brave WV Kids

## Our Mission in Action

We know that child survivors of abuse can heal from trauma - with the right community response. **This past year 4,909 new children walked through the doors of a Child Advocacy Center following allegations of physical abuse, sexual abuse, or neglect.**

The West Virginia Child Advocacy Network is asking you to join the #High5Drive by donating \$5 to give a High 5 to one of those brave kids!

**Give a High 5. Donate \$5.  
Encourage brave WV kids!**
