GIVE A HIGH5

Encourage Brave WV Kids!

Last year, **4,909** brave WV kids walked through the doors of a Child Advocacy Center following allegations of sexual abuse, physical abuse, or neglect. We are asking YOU to join the #High5Drive by donating \$5 to give a High 5 to one of those brave kids! We know that child survivors of abuse can heal from trauma -- with the right community response.

HELP US SPREAD SOME LOVE

Once you've given your High 5, add your name to a handprint, take a selfie, and post using our hashtag #High5Drive!

You can also tag people and challenge them to give their High 5 online at give.wvcan.org/high5drive
